## **2018 Internal Affairs Annual Report**

This Department recognizes the importance of establishing and implementing complaint and discipline procedures in order to monitor the conduct of the Department and eliminate any problems that might be found. To ensure the integrity of the Department, all allegations of misconduct will be investigated, regardless of source.

The Office of Professional standards, Internal Affairs (IA) Investigator reports directly to the Chief of Police. The IA investigator(s) has full authority to conduct an investigation, without interference from any Department member. Complaints handled by the Office of Professional Standards are categorized as either a Departmental or Citizen Complaint.

- Departmental Complaints - Internal complaints or concerns that the Department takes a proactive stance to investigate.
- Citizen Complaints - External complaints from citizens.

This report is prepared each year by the Office of Professional Standards and is submitted to the Chief of Police and command staff which summarizes allegations of misconduct made against Department members. The information is then used to identify patterns of misconduct and/or the need for additional training. The following data was retrieved from the IAPro software utilized by this office for statistical reporting purposes.
